CHICAGO GRAIN MARKET CHICAGO GRAIN MARKET

Chicago, Nov. 23.—For the first time in more than a week the wheat market today closed at an advance. Brisk export demand together with assertions that liquidation was at an end had much to do with the strength shown. The finish was nevertheless 7 1-2 to 3 cents net higher with December 168 @ 168 3-4 and March 162 1-2 @ 154. Corn gained 2 3-8 @ 3 1-8, cats 1 1-2 @ 1 5-8 to 2 3-8 and provisions 22 cents to 77 cents.

Buying of wheat near the end of the session was greatly accelerated by a report that Julius Barnes, former national wheat director, had expressed an opinion that prices were at the bottom, The complete report of the remarks by Mr. Barnes showed they werealone ontimistic lines. piete report of the remarks by Mr. Barnes showed they werealong optimistic lines, in which he said he was not a bull. It was known that export demand was brisk and that miliers were rapidly placing orders for flour. Pesides financial con-litious were easier and sterling exchange rising. Setbacks in prices although sharp at times were brief and after the close it was estimated that sales of Europe, ustalled 1, 500,000 bushels, about half the amount domestic grown.

Corn and eats were holsted by the strength of wheat. Shorts, including
